

Kentucky Infrastructure Coalition

*Moving Toward a Better Tomorrow*

The **Kentucky Infrastructure Coalition** is made up of manufacturers, farmers, engineers, local leaders and more than 40,000 transportation workers who understand that safe, reliable, efficient transportation is essential to Kentucky's economy. The Coalition supports long-term, sustainable funding that provides adequate revenues for all modes of transportation so our state can maintain the infrastructure we have today and build what we need for our future.

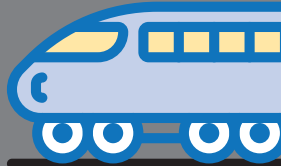

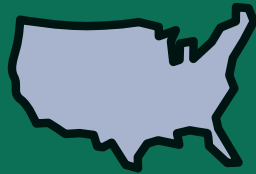

Kentucky has the **4th largest** inland waterway in the US and transported **100 million** short tons of cargo last year, ranking **7th** in the nation. That amounted to

**\$29.2 billion** in goods shipped abroad.

Kentucky's elderly and disabled populations take nearly **3 million** trips per year on public transportation.

Kentucky is within **600 miles of more than 65 percent** of the nation's population.

More than **\$500 billion** worth of freight flows through Kentucky's transportation network each year.

Repair costs for Kentucky bridges is estimated at **\$2 billion**

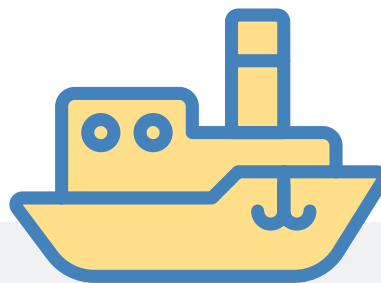

In addition to carrying **10.2 million** passengers each year, our airports move **5.5 million** tons of freight - **3rd** in the nation.

**1 in 12**

**1 in 12** of Kentucky's locally or state-maintained bridges are rated structurally deficient due to significant deterioration.

Each freight rail job supports **4.5 jobs** elsewhere in the economy.

Our waterways and ports create more than **15,000 jobs** and contribute **\$2.5 billion** to the economy annually.

Tourism contributed

**\$14.5 billion** to our economy.

Automotive plants are in **80 of 120 counties** with

**95,000 employees**

Roads in need of repair cost Kentucky drivers an average of **\$331** each year.
